

A	Wheels		5	Thanks for purchasing a GEAR4U gaming chair. We're confident you will enjoy it. When assembling the chair, keep the bolts loose before adding the next one. Once all the bolts are in, then tighten each one fully. This allows the movement of the parts you are fitting so the bolts can align correctly.		
B	Base		1			
C	Gas Lift		1			
D	Cover		1			
E	Bolts	 M6x20	4			
F	Bolts	 M6x25	8
